FILLIONS OF WOMEN USE CUTICUEA SOAP exclusively for preserving. purifying, and beautifying the skin, for cleansing the scalp of crusts scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, in the form of baths for annoying irritations and chafings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many antiseptic purposes which readily suggest themselves to women and especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and puritying the skin, cealp, and hair of intants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTI-CURA, the great skin cure, with the purest of cleansing ingredients, and the most refreshing of flower odours. No other medicated soap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath,
